vs.  
  
ORLANDIS WELLS, M.D.  
  
Defendants.

CASE NO. 2:19-CR-00216-JAD-BNW

**STIPULATION REGARDING THE  
FILING OF PRETRIAL MOTION**  
**(First Request)**

IT IS HEREBY STIPULATED AND AGREED, by and between Nicholas Trutanich, United States Attorney, by and through Nadia Ahmed, Assistant United States Attorney, counsel for the United States, and Defendant, Orlandis Wells, by and through his attorney, Christopher R. Oram, Esq., that the deadline for filing pretrial motions shall be extended until January 10, 2020.

This is the first request for a continuance of the pretrial motion dates.

Pursuant to General Order No. 2007-04, this Stipulation is entered into for the following reasons:

1. Counsel for Mr. Wells is currently in the midst of an eight defendant murder trial before Judge Navarro (2:16-cr-00265, Defendant C. Morales) and the trial is expected to last though this year at a minimum. Given this, defense counsel requires additional time to review discovery and determine what, if any, pretrial motions would need to be filed.

2. Mr. Wells is not in custody and agrees with the continuance.

3. Denial of this request for continuance could result in a miscarriage of justice.

4. For all of the above-stated reasons, the ends of justice would best be served by a continuance of the pretrial motions date.

### FINDINGS OF FACT, CONCLUSIONS OF LAW AND ORDER

Based upon the pending Stipulation of the parties, and good cause appearing therefore, the Court finds that:

1. The parties have stipulated to continue the calendar call and trial dates, and motions deadline, as presently scheduled.

2. This Court, being convinced that adequate showing has been made that were this request for continuance to be denied, the ends of justice would not be served, based on the following:

A. Counsel for Mr. Wells is currently in the midst of an eight defendant murder trial before Judge Navarro (2:16-cr-00265, Defendant C. Morales) and the trial is expected to last though this year at a minimum. Given this, defense counsel requires additional time to review discovery and determine what, if any, pretrial motions would need to be filed.

B. Denial of this request for continuance could result in a miscarriage of justice.

C. For all of the above-stated reasons, the ends of justice would best be served by a continuance of the Calendar Call and Trial dates.
